LETTER REGARDING SUPPLEMENTAL DECLARATION UNDER RULE 67

Sir:

Applicant hereby submits a Supplemental Declaration (under Rule 67) and an Affidavit to correct a deficiency or inaccuracy in the earlier filed Declaration in this case.

The deficiency or inaccuracy in the earlier filed Declaration is set forth in the Affidavit. In summary, the inventor used a pseudonym rather than his correct name and now is filing the Supplemental Declaration using his correct name.

Therefore it is requested that the Supplemental Declaration be entered in this case and the name of the inventor be as stated therein, that is, Marijan Domagoj Torbarac. It is requested that the Patent Office records in this application be corrected to reflect that name and that any patent issuing from this application or any continuations or divisionals thereof also be issued showing the inventor having that name.

It is believed that no fee is due to submit a Supplemental Declaration, but if any fee is due please charge Deposit Account No. 19-2386 of the undersigned any such fees.

This paper and the accompanying Supplemental Declaration and Affidavit are being submitted by the undersigned who, in the Supplemental Declaration, has been appointed an attorney in this case. However, there is no change of correspondence address and the
